The Compaq Advantage

Easy to Setup, Easy to Use
With only four cords to connect, no software to load, and built-in help, it's the easiest way to get online.

Instant Internet
Turns on and off like a TV and automatically connects to the Internet.

Small, Silent, Elegant Design
Sleek, all-in-one design with 15" CRT display fits well any room of the house.

Audio/Video
Experience streaming audio and video programming over the Internet with Microsoft® Windows® Media Player.

Maintenance-Free
Automatic, online system updates and upgrades keep you surfing at peak performance.

MSN™ Companion
Experience the full power of the Web with fresh online content and e-mail with HotMail™ from MSN™ – a top service provider.

Internet Keyboard
Get comfortable with 15 Internet activity buttons for navigating the Web with a single touch.

Personalized Internet Experience
Award-winning MSN™ Internet Service helps you organize the Web around your needs and interests with personalized content and services.

E-mail Indicator Light
Flashing red light lets you know when you have a new e-mail message.

Secure and Private
Rest assured that your e-mail, shopping and sensitive information remain protected.

USB Connections
The freedom to add a printer.

Photo Display
When the power's off, you can choose to have your Home Internet Appliance becomes a digital frame – displaying your favorite picture.
